Suite 100 Reisch Building

To The Honorable James R. Thompson, Governor and The Honorable Members of the Illinois General Assemby

I am pleased to present the report of the Office of Commissioner of Banks and Trust Companies for the six month period ending June 30, 1986. This six month report is provided as a transition report from calendar year reporting through December 1985 to a fiscal year report commencing with the period July 1, 1986 through June 30, 1987.

Data from state chartered banks, the trust departments thereof, independent trust companies, and foreign banking offices continued to demonstrate strong, dynamic growth in financial services for Illinois. In addition to reflecting such growth, the year was both challenging and rewarding for this Agency and the industry it regulates.

We look forward to the challenges that lie ahead. Regional interstate banking, statewide intrastate bank holding company acquisition and merger authority, and an economy adjusting to new growth stimulus and change continue to influence the banking industry and the Agency.

We appreciate your continued support of our Agency's operations.

Respectfully yours,

William C. Harris
